

## Product Release Announcement

### Latest Software Release Notes, October 2024

## Enhancements and Issues Fixed

### Lists, Drips & Scoring:

- A condition has been added in the smart list to check for contacts added to ongoing drip campaigns.
- New User smart list, User Drip, and User Scoring conditions have been provided based on the Events of the Events Calendar.
- Tabs for channel managers and partner admins have been introduced for use in Deal Automation.

### Marketplace:\* (NEW)

- Associate a Supplier with an MDF fund plan when the company's "Marketplace" has been enabled.
- An option to archive "Solutions" has been introduced.

### ROI:

- MDF widgets have been added to the ROI report page.

### Reports:

- The posting Date-time has been included in the report for all social postings.
- "Internal Views" have also been added to the asset usage chart.

### Self-Serve:

- The Self-Serve Organization page now has all the tabs from Organization.

### Setup:

- Introduced filter categories for searching from View Assets in Setup > Asset pages.
- The selected folder has been provided as a breadcrumb in **Setup > Templates**.

### Security:

- We have made it mandatory for all Super Admins to have MFA.  
**Note: Across all Installs, Super Admins will have to configure Google Authenticator MFA.**

**Usability:**

- We have made the "Message" field an HTML Text Area in the Asset List.
- User, Organization, & Company fields: We have provided the feature to move custom fields from one tab to another.

---

\*Please note that some of the product updates described above are available in your account based on your current plan with Mindmatrix. Our team may need to enable an individual feature so you can gain access to it. If you would like to know more about adding a newly released feature to your account, email our team at [support@mindmatrix.net](mailto:support@mindmatrix.net).
