mindmatrix

Product Release Announcement

Latest Software Release Notes, January 2023 - February 2023

Issues Fixed

Contacts:

- Duplicate contacts appeared when navigated to different pages for sorting based on the last activity. This has been fixed.

Exports:

- Export functionality was not working under the deal registration report. This has been fixed.

Events Calendar:

- A few upgrades to the Events Calendar have been implemented including a hyperlink manager and description field.

Editors:

- 'Style lock' was not working. This has been fixed.
- The video link added in the CTA hyperlink manager will use the user's public key variable.
- CTA was not used in the page image creation for the thumbnail for Web Banner. This has been fixed.

Lists:

- Organization list, User list, and Scoring conditions based on "Verticals/Industry Types" of Organization implemented.
- User and Organization Lists: Provided CRM dropdown in the 'CRMActivated' condition.

MDF:

- Provision to delete "Activities" from expired Funds implemented.

Playbooks:

- Provided the standard PDF viewer for document preview.

Profile:

- Information under the "About the Organization" was being saved under "Organization Signature". This has been fixed.

Partner Registration:

- Modified the text for the 'error message' on the Partner Registration page.

Reports:

- A few changes to the Contacts Summary Report have been made.
- Provided columns of "Running Social Drips" and "Playbooks" for Users. Organizations. and Organization Groups Report.
- In "Email Drip report", clicking on "Opened Count" and navigating to the second page was not loading the data. This has been fixed.

Scoring:

- Provided User Scoring Rule for 'Any Print Downloaded' and other conditions.

UI & Consistency:

- From the unified view of the assets, removed the 'word-break' for Name, and Description values.

View Assets:

- Provided the action of 'Download' for Blog Post templates.
- Provided a setting to make the assets sorted by "Created On" as default.

Video Gallery:

- Actions were displayed in the Non-personalized Video Gallery even without permission. This has been fixed.

V5:

- Video preview design implemented.
- Company Profile design implemented.
- Product Overview Page implemented.
- Self-Serve implemented.

Please be advised that some of the product updates described are available in your account based on your current plan with Mindmatrix. If you would like to know more about adding a newly released feature to your account, email our team at support@mindmatrix.net. -- *Mindmatrix Services*
